Noti… …n: November

FIELD NOTE: **Natural Holly Wreath Making**

DATE: **Saturday 28th November – 1300 to 1600 Hrs**

LOCATION: **Embers & Oak**

Come and join us in the woods to make a Natural Holly Wreath, ready for the First Advent!

Gather around the fire for a hot Mulled Spiced Apple Punch and a Mince Pie (or two !) as we explore the ancient lore of Holly and Hazel...

Learn how to make a 100% natural wreath before heading into the woodland to forage for our ingredients!

Then settle down by the fire to craft your own wreath, sharing conversation, hot drinks and perhaps another mince pie... all in the company of like-minded people.

Take home your own handmade Holly Wreath, a little woodland knowledge and, hopefully, a few fond memories of an afternoon spent amongst the trees.

£25 per person – Make your own Natural Holly Wreath.

£40 for two – Share the experience and make a wreath together.

All materials and refreshments included... Limited places – booking essential.

Please dress warmly and wear suitable footwear. We will be spending the afternoon outdoors in the woodland.

We look forward to spending time by the fire with you !
